

# Mom's No-Bake Cookies

## Ingredients:

4 cups quick oats

7 Tablespoons cocoa powder

1/2 stick margarine or butter

2/3 cup milk

1 2/3 cup sugar

1/2 Tablespoon vanilla

## Directions:

Mix the oatmeal and cocoa in a large bowl and set aside.

Combine margarine (or butter), milk and sugar in a sauce pan and stir constantly over medium heat until it comes to a boil.

When it begins to boil and foam, remove from heat and stir in the vanilla.

Pour into oatmeal mixture and mix thoroughly.

With a cookie scoop (#50) or a spoon, drop onto waxed paper and allow to cool. This part isn't strictly necessary. I've been known to just start eating with a spoon when no-one's looking.

Makes about 24 cookies.
